INTERMEDIATE LIGHTING SESSION
Registration Information

IES Vancouver is pleased to offer Exterior Lighting – Intermediate level. The two (2) evening sessions will cover material extending beyond the 10 modules offered in the Intermediate Lighting Course. The content will be intermediate to advance level. It is recommended for the students to have already completed Fundamentals of Lighting (FOL) or those with a number of years of experience in lighting.

Topics to be covered:

- Overview and summary of RP-43-25 and RP-8.
- Lighting for the Environment
- Parking Lot & Garage lighting
- Roadway & Street lighting
- Lighting for Intersections, Crosswalks, and Roundabouts

There will be a homework quiz at the end of the session. You must complete and pass the quiz to consider a successful completion. Supplemental files may be provided in Google Classroom at the discretion of the instructor. You will need a **Google account** to access the quiz and supplemental files**.**
